This Memorandum of understanding is entered into and executed on this 15th January 2021 by and among:

BETWEEN

The **KLE Vishwanath Katti Institute of Dental Sciences, Belagavi**, a constituent unit of KLE Academy of Higher Education & Research, (KAHER) (KLE Deemed-to-be University) having its office at Nehru Nagar Belagavi – 590010, India represented by its Head of Department of Oral Pathology & Microbiology, **Dr Punnya Rao**, herein / after to be referred to as "**KAHER'S KLE VK IDS**" which expression shall unless repugnant to context thereof, mean and include its successors and permitted to assign as the **First Party**

AND

The KLE Technological University, Hubballi represented by the Dean **Dr Uma Mudenagudi** herein / after to be referred to as "**KLETech**" which expression shall unless repugnant to context thereof, mean and include its successors and permitted to assign as the **Second Party**

This MoU sets down the mutually agreed broad framework for joint research and academic activities in various fields of interest. It also incorporates the modalities for collaboration.

1. PREAMBLE :-

KAHER'S KLEVKIDS is a private Dental College established in the year 1985, situated in Belagavi, having state-of-art infrastructure for patient care, specialized research activities, training programmes and highly trained and qualified faculty, administrative and technical staff.

KLETech is one of leading state private university in north Karnataka situated in Hubballi. The University has extraordinary infrastructure, specialized researchers, administrative and technical staff, training programmes and research activities.

The **KAHER'S KLEVKIDS** and **KLETech** are premier institutions and collaborative research programmes would be of considerable mutual benefit.

2) PURPOSE :-

KAHER'S KLEVKIDS and **KLETech** desire to implement in the areas of mutual interest, cooperative and collaborative activities, which would address multidisciplinary scientific, technological and educational problems of relevance to the country within fields that are mutually acceptable in accordance with the law following general forms of cooperation. This is facilitated by the instrument of this MoU as follows:-

Joint research activities for translational research areas as mutually agreed upon by involving faculty, research scholars and students from different departments of both institutions abide by the rules.

Visits and exchange: There will be provision for visit and exchange of faculty, research scholars, staff and students between the institutes for research related activities. There can be joint organization of events (workshops, seminars, symposia, lectures) and mutual sharing of data online and offline.

Intellectual Property: Important research findings and inventions developed under the collaboration may be published/ presented/ patented with mutual consent of the collaborators. Any returns of commercialization of the Intellectual property will be shared in proportion to be decided mutually by both the parties on case-to-case basis and exchange of letters.

Non-exclusivity of the MoU: Except the provisions regarding Intellectual Property, either party or both parties together have unrestricted right to seek additional funds for and/or to cooperate with any agency/institute for any of the projects covered by MoU.

Rights for modifications: The contents of the MoU may be modified or changed by mutual agreement of the parties hereto in writings. It shall then be effective from the date of modification.

Confidentiality : **Party I and Party II** shall maintain the confidentiality of the data. Patient related data shall be kept confidential. The data will be collected only after obtaining written consent in language known to the consenting patient / person. The identity of the patient / person shall be always kept confidential by both **Party I & II**.

Disagreements/ Differences: Any disagreements/ differences of opinion/ disputes regarding the interpretations of the provisions of the MoU shall be resolved by mutual consultation of the signatories.

Governing Law: All research activities undertaken jointly by **KAHER'S KLE VKIDS** and **KLETech** under this MoU will be governed by the Laws of the Republic of India.

The implementation of these activities, including all financial arrangements will be developed mutually for specific projects based on this MoU.

The tenure of the MoU shall be for **three years** from the date of signing the MoU. Unless opted otherwise by either of the signatory parties to this MoU, tenure shall be renewed automatically for another three years from the date of expiry of the first tenure.

Two official versions of this agreement, executed in English, are to be signed by the representatives, with one copy to be retained at each party.

This MoU is being signed by the Head of the Department of Oral Pathology and Microbiology, KLE Vishwanath Katti Institute of Dental Sciences, Belagavi – **(Party I)** and Dean, KLE Technology University, Hubballi **(Party II)**

This MoU has been duly signed as on 15th January 2021 by the representatives of **Party I and Party II.**
